

Man Killed, Youth Seriously Injured In Auto Accidents

Speed Blamed For Accident At Boca; Tahoe Boy Hit On Road

One man was killed, a ten year old Tahoe Vista boy was seriously injured and a man and his wife were badly hurt as a result of motor vehicle accidents in this region during the past week.

Wayne Ellis Waters, 26, Vacaville, was killed instantly when he was thrown from a car driven by Dannie Lane Gary, 20, Galt, when the vehicle failed to make a turn at Boca at 8:30 p.m. Friday and was demolished as it overturned several times. Waters' head struck a sharp rock when he was thrown from the car.

State Highway Patrolman Martin Sturcke, Carroll Maynard and Roy Stallard were called to investigate. Maynard said the car was apparently traveling at a high rate of speed. Waters, Gary and a third passenger in the car had left Fallon where they were employed by the General Electric Company and were en route home. The third passenger left the vehicle at Reno to ride with another friend and thus may have saved his life. Gary was treated for minor injuries and shock at the Tahoe Forest Hospital and released.

Boy Struck
Ten year old Larry Free, only child of Mr. and Mrs. Douglas Free of The Dunes at Tahoe Vista was seriously injured at 6:30 p.m. Sunday when he was struck while crossing the highway in front of his home by a car driven by Richard M. Williams, 17, El Cerrito, employed this season at Ludlow's.

Larry suffered a broken left arm and leg and possible head injuries. He was treated by Dr. Alan Sklar and taken to the Washoe Medical Center at Reno.

Patrolman T. F. Sheehan, who investigated, said the boy apparently did not see the vehicle approaching and the driver said he was unable to stop in time to avoid hitting the child.

Sheehan said he would recommend to the department of public works that cross walks be installed or the speed limit in the area be reduced.

James Elsberry, 17, also employed at Ludlow's was a passenger in Williams car and with Keith Holden of Truckee and Robert Clark of San Mateo, was a witness to the accident.

Couple Injured
David Robert Hopkins, 33, and his wife, Charlotte, 28, both residents of Crystal Bay, were in the Washoe Medical Center in "fair" condition after their car was sideswiped by one driven by Joseph Pagano, 44, Vallejo, a mile east of their home Sunday. Pagano was treated for cuts and bruises.

Officers said Pagano apparently lost control of his car on a shoulder and the vehicle swerved into the lane of oncoming traffic.

Three Injured
Three people were slightly injured at 8:15 a.m. Wednesday when cars driven by Dorothy A. Nottley, Truckee, and Milton Wickham, Los Angeles collided at the intersection of Highway 40 and Bridge Street in Truckee.

Patrolman Sheehan cited Wickham for driving without due caution. He was traveling east after borrowing a pickup truck from Marvin Bartlett of Truckee to take gasoline to his stalled car. Mrs. Nottley was crossing Highway 40 going south when her car was wrecked by the impact.

All the injured, including Louis Zukoff of Brooklyn, a passenger in the Wickham car, were taken to the Tahoe Forest Hospital for treatment and released.

\$600 MOTOR STOLEN FROM SHRECK BOAT

Deputy Sheriff Roy Waters has questioned a number of suspects following the theft of a \$600 outboard motor from Paul Shreck at Donner Lake.

Waters said the motor was removed from the boat which was moored 40 feet off shore near the Shreck summer home. It was a 30 horsepower Johnson.

Cliff Ellis Escapes Bad Injury On Fishing Trip

Cliff Ellis experienced a narrow escape from death or serious injury last Thursday while fishing in the vicinity of Fordyce. The local man slipped on a steep hillside back of Old Man Mountain and rolled 30 feet.

Ellis suffered a bad sprain in his right leg, bruises and scratches, but was fortunate to stop when he did as there was a sharp cliff right under him.

Now On Job

Emery Lander, Truckee's long-sought second deputy sheriff, officially started on his new duties yesterday. For the past several days he has been working with Deputy Roy Waters, getting acquainted with the work.

23rd Fire Of Year Reported In Local District Of Forest

Eight more fires in the Truckee district of the Tahoe National Forest this week has brought the total for the season to 23, 15 caused by lightning and eight man-caused.

Henry Toecalini, local forest service dispatcher, reports two men caused and six lightning fires this week, two of the latter in Class B, involving half an acre. One of these was above the Joe Joerger property just south of Truckee and the second in the Hell Hole country.

The man caused fires were at Tahoe Pines where two children playing with matches started a blaze and the second along the Elder Valley road north of here where some "smart" motorist emptied an ash tray of smoldering cigarettes in the dry grass. The latter was extinguished by Frank Gaennie and his Sierra Pacific crew before any damage was done.

Need For Airport Cited By Official

Further argument favoring an adequate airport in the Truckee-North Tahoe area was advanced recently by Clyde P. Barnett, director of the California Aeronautic Board, who spoke before a meeting of the Truckee Lions Club.

"There are over 40,000 licensed pilots in California," Barnett declared, "and the most common statement I hear from most of them is: 'I sure wish we had at least one decent airport somewhere in the Tahoe area. I could then get some use out of my airplane.'"

Barnett declared California has 10,000 aircraft owners, many of them anxious to fly to this region. He pointed to the benefits to the community from such a development citing similar cases in the mountains on the east coast where an airport has increased property values by more than 50 per cent.

"An airport in Truckee would make this a year around resort center," Barnett declared. He stressed the advantages of air transportation, particularly in winter. The expansion of the aircraft as a transportation method is on the threshold of a tremendous up-trend, he told the Lions and private flying today is approximately three times that of commercial planes.

An airport in Truckee would open the door to 7,000 other U.S. ports, he pointed out, and likened it to the rail and highway tieups.

Initial costs, Barnett explained, are hard to recover but over a period of time, the community and district would have a facility which would more than pay its own way while at the same time greatly increasing local property and industrial values.

Barnett was the guest of E. V. O'Rourke, chairman of the airport committee for Truckee and North Tahoe.

Drunks Have Day In Court, Many Pay Fines

A number of men accused of being drunk were hauled before Judge F. W. Wilson during the weekend by officers. Among them were Richard Robinson, Concord, arrested by Constable N. F. Dolley and released under \$50 bail; K. C. Angel-Adams, 56 Placerville, arrested by Patrolman T. F. Sheehan and released under \$50 bail; K. C. Angel-meyer, 55, Sacramento, released under \$20 bail after his arrest by Deputy Roy Waters and Antone Duta, Jr., 41, Loyaltown, arrested by Waters and sentenced to 30 days in jail and placed under probation for one year.

Survey Contract Approved

The Nevada County Board of Supervisors authorized Carlos Mc Guire of the engineering firm of T. H. McGuire and Sons of Grass Valley, to sign a formal application to federal agencies for airport funds for the Truckee airport as soon as he has completed his survey for the county. Deadline for such application is August 16.

With Service

Mrs. Margaret Avila has returned to her summer job as dispatcher for the Big Bend district of the U. S. Forest Service and glad to be back in the work.

Kenney Company Plans Plane Mill On Truckee Site

George Kaspien Sells Local Holding But Plans To Stay In Truckee

Plans for the development of a planing mill to be operated in conjunction with their recently acquired mill and timber interests were announced here by Frank Zak, superintendent for the Denney Logging Company.

The planing mill will be located on the site formerly occupied by the Truckee Lumber Company's sawmill just north of the Truckee river a half a mile west of Truckee.

The Denney company last week announced purchase of the Truckee Lumber Company's holdings from George Kaspien at a figure "close to \$1,500,000". The purchase includes more than 1000 acres of timber land, the Blackwood Creek sawmill, a new mill only recently installed and capable of cutting 100,000 board feet per day; six logging trucks, caterpillars and other logging and milling equipment.

Kaspien, here for the past several years, plans to retire for the time being but the family will continue to reside at their home in Truckee.

The new firm is made up of three brothers, W. H., J. F. and Robert Denney, Jr., who recently sold out their holdings at Hillsboro.

They will employ between 50 and 60 men and plans to enlarge the operation are being contemplated.

Success Story
Kaspien came to this country as an emigrant in 1914 at the age of 10 following the death of his father in Armenia. He accompanied his mother and two brothers and first settled on a ranch near Visalia.

This venture failed and some time later he moved to the Susanville area and in 1950 came to Truckee with his family.

"If I have enjoyed a certain amount of success," Kaspien said, "it has been through the opportunities which have been offered in this country coupled with vision and hard work."

THREE PARTS OF SP HOTEL ARE MOVED

Three sections of the Southern Pacific Hotel have been moved into their new location on Bridge Street, leaving only one section yet to go. The job involves considerable maneuvering as the huge two-story structure fills much of the streets in its transit. The sections will be joined and provide a hotel in the new location, but for the time being will leave quite a gap just east of the depot.

Guests Are Speakers At Local Lions Meeting
Sergeant Frank Snyder of the California Highway Patrol and Bud Kyle of Grass Valley were guests at the meeting of the Truckee Lions Club last night and each spoke briefly. Other guests were Chad Horton of Morro Bay and Sandy Cooper of Palm Springs.

During the dinner at Donner Lake Lodge, Sgt. Snyder took pictures of the group. Roy Waters presided at the session.

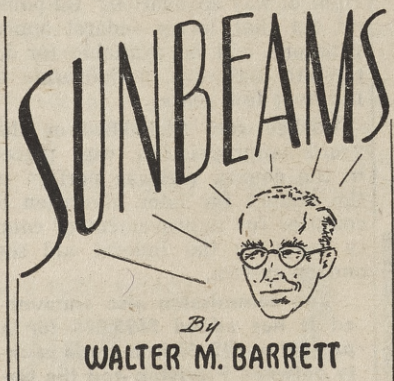

SUIT CHARGES LOCAL FIRM TRESPASSED

AUBURN—Administrators of the estate of the late Nellie Sweetland have sued George Kaspien and the Truckee Lumber Company for \$30,000 on grounds of trespass and removal of trees from property owned by Mrs. Sweetland.

They also ask for an injunction to enjoin trespass. Kaspien recently sold his Placer county holdings to the Denney Logging Company.

FINES ASSESSED AS TRUCKS OVERWEIGHT

A fine of \$715 for overloading logging trucks was paid in the Truckee Judicial District Court last week by the Burney Lumber Company. The three trucks were cited by Patrolman H. L. Petois, assigned for this type of work, while he was en route to Judge F. W. Wilson's court to testify in another case.

Our attention has been called to an editorial in the Outdoor California magazine written by Merv Nicholson, secretary of the Nevada Federated Sportsmen, Inc., which certainly hits the nail on the head.

Nicholson, in his article, points out that sportsmen spend considerable money on licenses, equipment and travel to get a good hunting or fishing spot, but when he is asked to what club he belongs, many times his answer is none. What the sportsman fails to take into consideration is the fact that without organized clubs, those places where he goes to enjoy an outing of hunting or fishing would soon fail to exist.

The work of these clubs, including the Truckee Outdoor Sportsmen, often goes unrecognized. The officers and members spend hours going over legislation, battling with groups whose activities would jeopardize sports and constantly are fighting for the best interests of the sportsmen. When something goes sour, these clubs are quite often blamed, but seldom are they given full credit for the benefits they accomplish. Nicholson concludes his editorial with a very apt paragraph: "It is up to each individual sportsman to do his part by joining in and working with some club for better hunting and fishing for all."

BOY SCOUT CAMP AT SUMMIT SETS RECORD

A court of honor Saturday night at Camp Pahatsi near Soda Springs will bring an end to the 1956 camping season for the Boy Scouts of the Tahoe Area Council. It has been pronounced the most successful and largest camping season in the history of the area. One hundred boys, some of Kings Beach are enjoying the fourth week at the camp.

Last week, the boys were successful in coping with a forest fire which broke out six miles from Pahatsi. Members of the troops and the leaders trenched the fire, felled several burning trees and had the situation well in hand when the forestry crew arrived.

LOCAL MAN IS HELD FOLLOWING HEARING

Louis Ramirez, 20 year old Truckee man, was held to answer to the superior court on a statutory rape charge following a preliminary hearing before Judge F. W. Wilson in the Truckee Judicial District Court Friday. His bail was set at \$1000. The case involved a 14 year old girl.

Harold Berliner has been appointed to represent Ramirez and Leo Todd, assistant district attorney, is handling the prosecution.

'Swanee' Improves After Slight Stroke In Reno

Mrs. Eleanor Swanson, who is well known as Swanee throughout this area typed a note, with her left hand, explaining that she had been paralyzed down her entire right side and continued that it may be some time before she is back to normal.

She concluded the message with: "Hope that all you folks are fine and pray that it won't be too long before I'm back in your midst. I also wish to thank sincerely, all who sent flowers, gifts, and cheery get well messages to me during my recent stay in the hospital. All are deeply appreciated. Love and all good wishes, Swanee."

Accept Applications

Applications for the position of county superintendent of schools are being accepted by the Nevada County Board of Supervisors. The action followed the acceptance of the resignation of Superintendent Melville O. Johns. The resignation becomes effective September 11.

Sees Friends

Mrs. Garing McGee, Nevada City, visited local friends last week. The McGees are former local residents.

Verdi Man Killed By Rolling Log In Mishap Near Here

Caterpillar Operator Hit As He Walks Beside Loading Truck

Charles Grisham, 58, Verdi, was crushed to death at 9:30 a.m. Tuesday when a log being loaded on a truck rolled off and struck him.

Grisham, employed by Donald Ramelli Logging Company, supplying logs for the Tahoe Timber Company at Reno, was working as a caterpillar driver five miles south of Donner Lake in an area burned over some time ago.

He was walking beside a logging truck when the log rolled off, crushing him to the ground. Had he taken one more step, he would have been missed.

Deputy Coroner N. F. Dolley, acting for Coroner Francis West of Placer County was called and removed the body to the Truckee Colonial Mortuary, shipping it the following day to Oregon for funeral arrangements.

Grisham is survived by his wife who lives at Verdi.

DRIVERS POST BAIL ON DRUNK CHARGES

Two vehicle operators posted bail of \$263 each with Judge F. W. Wilson after being charged with drunk driving during the weekend.

Richard Scott, 35, Piedmont, an automobile dealer, was arrested by Patrolman Roy Stallard and Martin Sturcke after he ran his car into a sign at the quarantine station. He was charged with drunk driving.

Sven Ernest Tillander, 53, San Francisco, posted the same bail on the same charge after his arrest by Patrolman Stallard. A companion, John Ford Webster, also of San Francisco posted \$50 bail on a charge of violating the county sobriety ordinance.

BENEFIT BARBECUE PLANNED BY CLUB

TAHOE CITY—Plans are being made by the Squaw Valley-Lake Tahoe Ski Club to sponsor a public barbecue at Squaw Valley Lodge Sunday, August 19th. Pete Heuga is the chairman of the event.

The barbecue will open the season's activities for the club. Tickets are on sale for the affair and a membership drive also is in the immediate offing. The club is anxious to build up a sizeable fund for this winter to develop a competitive program so that by the 1960 Winter Olympic games, the district will be in a position to serve capably as the host club.

Rebekahs Plan Food Sale Here August 10

Plans for a food sale to be held Friday, August 10th at Freeman's Do Nut Shop, beginning at 10 o'clock were made at the July 26 meeting of the Naomi Rebekah Lodge No. 2.

A visitor, Fred Gaslow of Idaho was a visitor and refreshments were served by Janet Franklin and Mary Maxie.

Laura Horman presided at the session.

August 24 Final Day For Phone Book Listing

Friday, August 24 is the last day to put new or additional listings into this year's Butte, Nevada, Sutter and Yuba Counties telephone directory. The book also contains part of Sierra County.

C. F. Berlenbach, phone company manager here says it's necessary to make all changes in listings well in advance of publication of the new book in order to make sure customers' numbers are correct.

Those who want additional listings for children or others living in their homes should call the Business Office now, said Berlenbach. Delivery of the book begins Monday, September 24.

Family Arrives

Mrs. Robert I. Moore and family have arrived from Hayward to join Moore, stock room clerk at Osburn's Buick Garage. The Moores, former local residents, have purchased the former William Wilkie home on High Street.

Missing Cable Balls At Tahoe Retard Telephone Project

Unthinking souvenir hunters are raising havoc with efforts of crews attempting to lay underwater cable for the Pacific Telephone Company between Rubicon Point and Camp Richardson at Lake Tahoe.

Charles F. Berlenbach, local manager, reports that eight of the marker buoys, designed to guide the crews in laying the cable have been taken from their moorings recently.

Berlenbach said these markers are multi-colored balloons covered with a heavy mesh wire on which are installed red flags. They are of some value and while the monetary loss is of some concern, the fact that they are missing is causing delay in laying the cables and handicapping the workers in the project.

The manager said he believed the buoys are being taken by souvenir hunters as they would not be of any value or use to those taking them, and urges that they be left alone. The matter has been reported to the authorities and one has been recovered. The buoys are plainly labeled with "Bell System Property."

"The loss of these markers," Berlenbach declared, "is creating a real problem and we of the telephone company appeal to boatmen to please leave them where they are anchored."

Truckee Wins In Game With Fallon

Behind the steady pitching of Louis Goicoa, the Truckee Athletic Club took the measurement of the Fallon Merchants in a hotly contested game here Sunday 8 to 6.

Each team collected six runs, but Truckee added three double plays to its record and Gordy Stewart, local catcher, smacked out the first home run of the season in the Truckee park.

Next Sunday the local team goes to Fallon for the return contest but the following Sunday meets Colfax here in what promises to be the best game of the year.

Bob Heryford, local center fielder, got three hits in his four times at bat and Bill Campbell, shortstop, collected two for four. Otis Cluck, third base, Al Wakefield, manager and first baseman and Frank Smith, left field, each got one hit.

EL TAHOE SHRINERS TO TREAT CHILDREN

KINGS BEACH—The El Tahoe Shrine Club again this year is sponsoring a Children's Day at the Shrine Circus in Reno.

Every child of grammar school age is invited to be the guest of the club but each must secure a release, signed by their parent.

The children will be transported to the circus by buses on Wednesday, Aug. 8. The bus will leave Kings Beach at 9 a.m.; Tahoe City at 9:30 and the Truckee elementary school at 10:15. R. F. Stevenson of Kings Beach is making the arrangements.

Social Security Man To Be In Truckee Aug. 14

A representative of the Social Security Administration will be at the Justice Court, Truckee, Tuesday August 14, 1956 to serve those who wish to file claims for social security benefits or may have other business to transact in connection with the operation of the social security program.

Suit Is Filed

AUBURN—Merle Bensinger has filed a \$20,000 damage action against the Squaw Valley Development Company for injuries he claims he suffered in a fall in descending from the ski chair lift in Squaw Valley last August.

Seeks \$25,000

AUBURN—Theresa Molsberry has filed a \$25,000 civil action against Jerome A. Little for injuries she states she suffered in February in an accident involving her automobile and Little's pickup truck on the Brockway cutoff road.

Same School Tax As Costs Advance In Local District

Hearing On Budget Is Set For Tuesday At High School Here

The budget for operating the schools in the Tahoe Truckee Unified School District calls for an expenditure of \$610,364.38 for the fiscal year 1955-56. Of this total, \$323,631 will be required from district tax at a rate of \$1.55 per \$100 assessed valuation.

The total operational cost is \$45,545 above the figure for the year 1955-56, when the same tax rate was used.

A public hearing on the proposed budget will be held at the high school Tuesday, August 7 at 8 p.m. at which time the board of governors will hear anyone wishing to discuss the budget.

Instruction Up
One of the biggest advances in costs this year over last is for instruction. For this item, \$222,470 has been budgeted while last year instruction cost \$196,358.

Administration costs, including salaries and wages will advance from \$18,372.45 to \$26,480, under the proposed budget. Transportation of pupils is expected to drop from \$55,589.16 spent last year to \$44,140 this year.

Another advance will be in fixed charges, such as contribution to certified employees retirement fund and to non-certified employees state retirement system. This item calls for \$20,590 compared to \$13,630.13 last year.

Maintenance Down

Auxiliary services are expected to increase from \$6,300 to 7,700, while the operation of the school plants will go from \$56,934 to 62,500 during the coming year. School plant maintenance is expected to decrease from \$26,933 on this item last year to \$23,520 budgeted for 1956-57.

Food service is also going to cost more under the tentative budget, \$11,000 being set up for the coming year as compared to \$10,333 spent last year.

On the income side the state will apportion \$82,560 during the coming year as compared to \$76,440 last year.

The current beginning balance, including \$129,939.85 in the county treasury, is \$137,227.38. Last year the beginning balance, including \$97,405.16 in the county treasury, was \$101,557.19, indicating a very healthy trend in the school's financing.

55 NEW PATROLMEN COMMENCE TRAINING

SACRAMENTO —(CNS)—The California highway patrol announced it has commenced training 55 new patrolmen under an expansion program authorized by the 1956 legislature.

Ross R. McDonald, deputy commissioner of the patrol, said that upon completion of training of the new men the patrol's strength will be increased to 1,679 traffic officers.

The legislature approved an increase of 154 patrolmen during the current fiscal year.

Placer Board Reduces County Tax Assessment

AUBURN—The Placer County Board of Supervisors sitting as a board of Equalization Friday reduced the assessed valuation of 208 parcels of land in Placer County by \$278,450. They set valuations for assessment purposes of \$828,930 which had been set previously at \$1,107,380 by Assessor Lloyd Geraldson. Much of the property in question was in the Lake Tahoe area.

Funeral Services Held For John McClaskey

Funeral services were held in Auburn for John McClaskey, 65, of Brockway, Placer County, who died last week.

The deceased was a native of Minnesota, and had resided in the Lake Tahoe area for the past 20 years. No known relatives have been located.

BOOKS GROUP WILL STUDY GANDHI HERE

Gandhi, His Life and Message for the World, by Louis Fisher, is the book to be discussed at the August 8 meeting of the Great Books Discussion Group. Copies may be borrowed from the Community Center Library in the High School building.

At this meeting there will be no leader as such. Members are encouraged to bring the questions they wish to discuss and present them to the group. A moderator will be present to assist in keeping the discussion within bounds of the subject.

A participating visitor at the last meeting was Mrs. Wilma Avery of Oakland.

LEGAL NOTICE

NOTICE OF GENERAL ELECTION TRUCKEE SANITARY DISTRICT NEVADA COUNTY, CALIFORNIA
Pursuant to Section 6581 of the Health and Safety Code of the State of California:
NOTICE IS HEREBY GIVEN by the Board of Directors of TRUCKEE SANITARY DISTRICT that the general election of directors shall be held in said District on **Monday, September 17, 1956**, for the purpose of electing two directors:
That the polling place at said general election shall be Justice Court, Truckee, Nevada County, California: that the polls shall be open from the hour of 1:00 o'clock P.M., until 7:00 o'clock P.M., of said day:
That nominating petitions must be filed with the Secretary not later than August 8, 1956.
DATED: July 19, 1956.
TRUCKEE SANITARY DISTRICT
By John J. McGlade

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Rotary Meets
The Tahoe City Rotary Club held its regular luncheon meeting at the Tahoe Inn at noon on Tuesday, July 24th, with President Steve Korich presiding. There were 68 members present, including 38 visiting Rotarians. The visitors were 24 clubs in California, one Nevada club, and one member from the Rotary club of Rock Island, Ill. The Illinois visitor was Fred N. Sellerdahl.
Guest speaker on this occasion was Father Brennan, formerly a resident of Truckee, who at present is Chaplain of Folsom prison on J26-A2,9.

duty there with 2500 prisoners. In the course of his speech Father Brennan said that many of these prisoners are being successfully reformed, and in his opinion will eventually make good citizens, as they seem to be good men. Nearly all these prisoners are second-time losers, and they can only be released if employment is found for them on the outside. He said that most of the work found for the prisoners is on ranches, in this part of the country. The speaker mentioned a manufacturing firm in the east which employs 6000 men, and said that about 4000 of them are paroled convicts, most of whom are reformed and making good.
Father Brennan considers it unfortunately that so far the Catholic church is the only church in the prison, but he said he understood that a bond issue is now pending which will later provide for the inclusion of both Jewish and Protestant Chaplains in the prison.

Thunder Storms

The past week's weather in this

area included two violent, though short thunder storms, which occurred in the late afternoons of the 25th and the 26th of July. A down-pour of rain, mixed with hail, accompanied each storm for about a half hour's time. Weather Observer Art Frodenberg registered a total of .32 in. precipitation for both here both the north and south ends of the lake were said to have received a heavy drenching. Within about a mile of Tahoe City a tree was reported struck by lightning, but no other damage resulted is so far known.

New Motel

Construction on the motel being built at the north end of Tahoe City is nearing completion this week, according to the superintendent on the job, who states that the new twenty-unit, two-story business will be operating by the first week in August. The name of the owner of the property, a former Tracy resident, being W. H. Russell, the

new motel has been given the permanent name of "Russell's Pines."
Vernon Honored
C. W. Vernon of this city was honoree at a dinner party given on the evening of his birthday, July 26th at the Lakewood Lodge resort, where he was presented with a candle-decked cake and rendered the usual happy birthday song by the entire party. Hostess of the occasion was his daughter, Mrs. Lillian Farr. Other dinner guests included his wife Ethel Vernon, his son-in-law Harold R. Farr, his brother and wife Mr. and Mrs. Ralph Vernon and Mrs. Vera Gandy.

House Guests

Recent house guests at the Ward Knapp home in Lake Forest were Mrs. Knapp's son Rodney Yeakel of Sacramento, with his wife and three daughters, Tamara, Kimberly and Shauna. The baby is just two months old, and this was her first visit with her delighted grandmother. The family greatly enjoyed the short cooling-off period here at this time, away from the over-

warm weather of the valley region.

Mother Expires

Edward More, who with his wife and son have been residents in the Tahoe City vicinity for several years past, recently moved into the Brockway community in order to be nearer the main source of regular employment. In his home there on Saturday night Moore was notified by telegraph of the passing of his mother that day, at her home in Scots Bluff, and five grandchildren. Mrs. Roy E. Moore was sixty-five years of age, and had suffered ill health for the past two years. Besides Edward Moore, she leaves another son, James, a resident of Scots Bluff, and five grandchildren. Moore and his son, John Edward, left here on Monday morning for the motor trip to the Nebraska town, planning to be there on Wednesday in time for the funeral.

Gets Scholarship

John Edward Moore, who is 21 years old and is now completing his senior year in college, was notified during the past week that he has been awarded the Hunter-Morrison Scholarship from the Reed College of Portland, Oregon, which he is attending, in the amount of \$700. Young Moore has been awarded scholarships every term that he has attended Reed College, and for the first and third terms he won two scholarships each. During the past week he was also notified, by Dr. J. McKinley, Professor at Reed College, of an appointment to internship, to interview the U.S. Army Engineers of Portland and Seattle on flood control and soil conservation measures. This information is to be collected for inclusion in a book now being written by Dr. McKinley, who is already well known in the non-fiction literary world. Young Moore is leaving here on the internship appointment on August 11, which date is also his 21st birthday.

From El Cerrito—

Mr. and Mrs. G. Pierotti with their family of El Cerrito have been vacationing here.

Sees Property—

Ivan Lehman of Shingle is looking after property interests in this area.

Tahoe Items

Mrs. Emily Peters of Chicago, sister of P. M. Burroughs of Tahoe Vista came out to visit her brother and sister-in-law last week, preceding other members of the family who will gather for a reunion in the very near future.

Stockton residents who are at the Lake this summer are the E. G. Garrows, staying at Kings Beach and Mr. and Mrs. W. R. Tiffany spending the summer at Homewood.

The George Chambers of San Leandro were Lake Tahoe visitors last week after returning from a trip to New York and New Jersey.

Dr. and Mrs. G. B. Fuessell of Pasadena are at Homewood for the balance of the season.

SHRINE CIRCUS TO
DRAW CROWDS TO
RENO AUGUST 8-11

A center of attraction for the young at heart throughout northwestern Nevada and eastern California will be the ninth annual Kerak Shrine-Polak Bros. Circus, to be presented Wednesday, Thursday, Friday and Saturday, August 8-11, with afternoon and night performances all four days at 2:15 and 8:15.

Throngs of children who otherwise would not be able to attend will be brought to the matinees from a broad radius, their chance to see the circus made possible by blocks of donated tickets. Among them will be upward of 1000 coming to the opening matinee by special train originating in Winnemucca.

Boasting a predominantly new assemblage of international circus-dancers, this year's circus offers the following outstanding features:

Aerial achievements by the Flying Palacios, the High-Wire Torrens, Lalage and Barbet's Aerial Jesters and Birdcage Girls.

Attainments in animal education by Antonucci's Chimps, Victor Julian's Pets, the Dorchester Troupe with their horses and the Besaio Baby Elephants with Baby Opal.

Acrobatic accomplishments by the Atomics, the Kovacs, Jan Risko and Nina and the Ronnie Lewis Ensemble, directed by Barbet.

Barbet's gala mardis gras frolic, "Festival du Cirque."

Famous clowns headed by Lou Jacobs and including Rudy Docky, the Sherman Brothers, Harold Simmons and Jackie Gerlich.

POLIO REPORTED
IN PLACER COUNTY

AUBURN—Two cases of polio have been reported in Placer County this past week, Doctor Moldenhauer, director of the Placer County health department, announced today. One is from King's Beach and one from Clipper Gap. The child from Clipper Gap probably acquired the infection while visiting elsewhere.

YACHT CLUB PLANS
ANNUAL REGATTA
AT TAHOE AUG. 19

TAHOE CITY—With the fourth annual Water Ski Carnival sponsored by the Lake Tahoe Yacht Club a pleasant memory, plans are going forward for the annual regatta to be held Sunday, August 19 at Chambers Lodge, the setting for the carnival held last Sunday.

The regatta has been held at Lake Tahoe annually for the past 30 years and this year it is hoped by the club and committee to have unlimited hydroplanes competing in the races.

Last Sunday there were 11 classes entered in the various events and the winner of each was announced as follows: Childrens slalom, Ni Orsi, Stockton, with Allen Bray, Oakland and Lake Forest in second place and Mike Moss of Highlands Park, Ill, third.

Girls' slalom: Sue Good, Oakland and Tahoe City, first; Judy Murphy, Piedmont and Tahoe City, second and Barbara Boucke, Woodside and Tahoe Pines, third.

Boys' slalom: Bob Guernsey, Chico; Kit Clegg, Santa Rosa and Tahoe Pines; Jim Milles, Sacramento and Tahoe Pines; Barbara Berry, Piedmont and Homewood; Gloria Westphal, Ross and Homewood.

Mens' slalom: Bartow Barnett, Kings Beach; Doug Bourne, San Francisco, and Norm Saylor, Chambers.

Children's tricks: Ni Orsi, Stockton; Stannie Good, Oakland, Allen Bray, Oakland.

Girls' tricks: Collene Dodge, Sacramento; Sue Good, Oakland; Judy Murphy, Piedmont.

Boys' tricks: Mike Mettler, Tahoe City; Bill Barr, Tahoe City and Bob Guernsey, Chico.

Women's tricks: Mary Jo Miller, Gloria Westphal and Sherrill Blessing, Piedmont and Tahoe Pines.

Men's tricks: Joe Balco, Stockton; Bob Smith, Sunnyside and Coleman Ortman, Pineland.

Exhibition: Mary Jo Miller, Gloria Westphal, Sherrill Blessing and Sue Good: Second: Joe Balco and Ni Orsi.

Ponds, Staff Renamed
To Probation Offices

NEVADA CITY—Floyd Pond, Nevada County probation officer and staff, Mrs. Janet Hinkley, assisted probation officer and Mrs. Leona Allread, chief deputy, were reappointed for two year terms, by Nevada County Superior Judge James Snell yesterday.

The appointment followed the recommendation of the Nevada County Probation Committee which works with the probation department. The committee's approval was given at a meeting yesterday and sent up to Judge Snell.

Homewood Thief Being
Sought For Jail Break

AUBURN—Donald Wood, 25, serving a one year county jail term on a grand theft charge, escaped from the jail today while working in the kitchen as a trusty.

Wood was returned here several weeks ago from Wisconsin, where he served a prison term, to face the charge of stealing \$800 from the Homewood Resort at Lake Tahoe. He pleaded guilty.

The sheriff's office described him as five feet, nine inches tall; weight

Send Greetings

Each year, on March 1, the U. S. Marine Corps sends anniversary greetings to the British Regiment, the Royal Welsh Fusiliers, commemorating the friendship established when that regiment and the 1st Marine Regiment served together in China during the Boxer Rebellion in 1900.

So Much
To So Many
For So Little

Since July 1, 1940 Public Utility electrical construction costs have increased 133 percent for overhead conductors, 166 percent for poles and fixtures and 88 percent for distribution equipment. Labor, placing and installing the above has increased over 25 percent.

Yet—the cost of Electric Service to most of our District customers has decreased in the same period over 6 percent. The District is pledged to continue to reduce Electric Rates when economically possible.

HUFF IS SPEAKER AT BROCKWAY ROTARY

KINGS BEACH—Pappy Brooks presided at the regular weekly meeting of the Brockway Rotary Club Monday night at Crystal Bay Club. Members from the following clubs were represented: Vallejo, Gustine, Berkeley, Redwood City, West Sacramento, Burlingame, St. Helena, Lodi, Concord, Grass Valley, Salinas, Woodland, Auburn, Tahoe City, Tucson, Carson City, and the Bronx Rotary Club of New York City, making a total of 17 clubs represented.

President Pappy announced the induction of a new member into the club. He is H. E. Althof with the classification of milk products wholesale as manager of the Minden Co-operative Creamery, Inc.

After the completion of the induction ceremony the meeting was turned over to program chairman Leon Barker who introduced Don Huff, president of the Tahoe Sierra Chamber of Commerce and a member of the Woodland Rotary Club. Huff's topic was the "Emerald Bay Situation", which dealt with the highway where the big slide occurred and the effect that has resulted on all the resort areas around Lake Tahoe. He said he felt that the highway should be re-routed so as to be completed without too much expense to the state and that it should be done as soon as possible.

As everyone in this area realizes the closing of Highway 89 has caused a great monetary loss especially to the resort owners it is hoped that the highway situation will soon be cleared up to the satisfaction of all concerned.

HOME OWNERS AT SQUAW PLAN FEAST

SQUAW VALLEY—The Squaw Valley Property Owners Association will be hosts at a barbecue dinner here Saturday following a meeting at which details of the proposed 1960 Winter Olympic Games will be under discussion.

The principal speaker on the occasion will be Alan Bartholemey, executive director of the organizing committee.

Mrs. Adelaide Johnson of San Francisco is president pro-tem of the association.

Native Palm

The California fan palm is California's only native palm tree.

Miss Dolores Rood Is Wed To James Dickow

Of interest to her many local friends was the recent wedding of Miss Dolores Jean Rood to James Garfield Dickow.

Miss Rood, daughter of Mr. and Mrs. Lawrence D. Rood of Vallejo, graduate with the class of 1955 from the Tahoe Truckee High School and since has been studying fine arts at San Jose State College. During the time she attended school here she lived at Lake Tahoe and was an honor student in her class.

Dickow is the son of Mr. and Mrs. Edwin Dickow of Vallejo and attended the junior college there being a member of the Alpha Gamma Sigma Fraternity.

The wedding was solemnized June 17 in Our Lady of the Wayside Church at Woodside by Rev. Guy B. Mayden with 100 guests in attendance. Miss Toni Street of Sacramento was the soloist and the matron of honor was Mrs. Noleen Wiekles of Minden, Nev. and the maid of honor was Miss Marcia Dudley of Berkeley. Bridesmaids were Miss Patricia Dickow, sister of the bridegroom and Miss Eleanor Rayozo of San Jose.

The best man was Richard Rood, brother of Mrs. Dickow and the ushers were Norman Edwards and Kenneth Cesadosky of Vallejo.

Following the wedding a reception for 130 guests was held. Mrs. Sophie Levra was a guest from Kings Beach.

Gasoline Trucks Barred From Richmond Bridge

SACRAMENTO —(CNS)—Frank B. Durkee, state director of public works, announced he has signed traffic regulations prohibiting gasoline trucks from the new Richmond-San Rafael Bridge, which opens September 1.

Durkee said the regulations are substantially the same as those in effect on the San Francisco-Oakland bay bridge.

Spokesmen for the petroleum industry protested the ban at a public hearing conducted by Durkee recently.

State representatives at the hearing argued that permitting the hauling of inflammables on the four and a half mile \$68,000,000 span would boost insurance rates and also endanger the toll bridge structurally and financially.

The regulations also prohibit the hauling of explosives on the structure.

Seven Partners Given Approval For Gaming At Cal-Neva Lake Lodge

CARSON CITY—The state gaming control board recommended approval of gambling licenses for seven new partners in Cal-Neva Lodge at Lake Tahoe.

At the same time, however, the board denied an application by Hy Moxner, former Chicago club operator, for a license for a 2 percent interest in Cal-Neva for which he would have paid \$18,000. The action was taken because Moxner's background was deemed unsuitable.

Applicants recommended for approval included Irving Berkman, Toledo, Ohio, 3 percent for \$9,000; Meyer H. Stram, Adrian, Michigan, 2 percent for \$18,000; Barney Periman, Reno and Las Vegas, 2 percent for \$18,000; Mose M. Manes, Miami, Fla., 5 percent for \$100,000; Al Roth, Miami, 5 percent for \$45,000; Bernard Rothkopf, Las Vegas, 1 percent for \$11,000, and Ruby Kolod, Las Vegas, 4 percent for \$36,000.

NORTH TAHOE

By JUDGE HARRY CHARRISON
Accident

Very sorry to hear that my little friend Larry Free, who is about 10 and as smart as whip was badly hurt. He evidently was crossing the road at his home in Tahoe Vista (The Dunes) when a car said to be speeding cut him down. At first reports he received a leg broken in three places, a dislocated shoulder and maybe other injuries. It is sincerely hoped that the injuries will not be as bad as expected. On Monday his father, Doug, and mother, Mrs. Free, were still at the hospital in Reno until final diagnosis had been made. He is in the Washoe Hospital.

Law and Order
Well, it would seem that the Tahoe District Court is keeping up with the progress of the North Tahoe area. There have been no less than one hundred and fifty cases through the court during July. That is a record for the area. Maybe it is because of the excellent service of the peace officers as they are

doing a magnificent job in cleaning the community of wouldbe wrong doers. Besides those that are cited, there were as many complaints righted without going through the court. Those that should be credited for this work are the following: Constable Dick Lavery, Kings Beach; Harry Johanson, Tahoe City; Tom Sheehan and E. R. Meixner with Martin Sturcke, Roy Stallard, Bill Gautsche and Carroll Maynard of the highway patrol; Bud Rabaska, Angelo Chairatta and Curtis Landry, Placer county deputies sheriff. The court feels real proud to be associated with these men. Sheriff Bill Scott has also done a swell job.

The Winner
Bartow Barnett has had a busy season all through the winter and summer season and in the recent water skiing regatta at Chambers Lodge Bartow took first prize in the men's slalom. Bartow has done wonders since being benched for practically a year with broken bones.

Young Drivers
Sixteen and seventeen year olds driving cars are becoming a menace on the highways. The number being cited is alarming. A few days

ago a car driven by youngsters came near crashing into our car in Tahoe Vista driving six feet over the center line and only by crowding up on the bank did we miss being hit. We had no chance of getting the car number. It is getting very serious, believe me.

On Sick List
Very sorry to hear that Steve Riolo of the Riolo Club is in the Saint Mary's Hospital in Reno. He has been there for the past two or three weeks, and I didn't know anything about it. His mother tells me that he may be released this weekend, but even at that will have to keep to his bed for quite some time. We sincerely hope that statement will not be the case.

Reunion
Well, this week sees a family reunion at the Burroughs home as Mac's sister, Emily Peters of Chicago, visits them. Emily, I understand did a lot towards bringing up the Burroughs children and it would seem that she did a remarkable job. We had the pleasure of meeting her and found her a very delightful person. The party will occur on Friday of this week.

Visitors
Jessie Edna and Carol Tucker of Napa were visitors to the Andy and Alice Sorensens. Mr. Tucker is the eldest brother of Alice. They had just returned from a wonderful trip to British Columbia. I also hear that Ray was up for a short visit.

Nice Motel
Bert and Dot King has been doling up their new motel in Kings Beach and it looks beautiful. Their son, Norman, is a big help around there and he is also working for Walt Bailey's at the Mobile station.

Jeeps
I never did see so many jeeps that traveled through Kings Beach last Sunday. The parade was led by Deputy Sheriff Angelo Ciaratti and must have been a couple of miles long. Their aim was to go clear around the lake but the slide at Emerald Bay stopped that part of their fun.

Vacation
Harold H. Morgan, daughter and son, are staying at neighbors of ours on the golf course. They are from Tucson, Arizona, and are having a whole month at the most glorious place in the world, as Mrs. Morgan says.

Playing With Fire
Had two children in court, one a girl 10 years old and a boy 7 years old. These two youngsters were deliberately lighting matches out at Tahoe Pines and throwing them in the brush, setting fire to same and necessitating the U. S. Forest Service truck to suppress the danger. John Schendler says it could have been very serious. The parents were ordered to have a strict surveillance over the children at all times, and the children never to touch a match until they grow up.

AFFAIRS OF STATE
Henry C. MacArthur

SACRAMENTO (CNS)—It takes a lot of money to run the state of California, as shown by the bank balance for the end of the fiscal year 1955-56.

According to Robert C. Kirkwood state controller, the state had a balance of \$133,841,702 in the general fund on that date. This amount, of course, does not represent a "surplus" in the general sense of the word, as the bank balance in the general fund does not take into consideration obligations incurred but not yet paid, not revenues accrued, but not yet deposited in the state treasury.

While cash balances go up and down, Kirkwood said that the state's cash at the end of the previous fiscal year totaled only \$70,429,803.

The huge sums necessary to carry on the day-to-day business of the state may explain in part the rivalry of banks throughout the state for state deposits. Generally, the state must maintain active accounts in the state treasury to meet the warrants drawn in payment for services of personnel, contracts and sellers of goods.

There are at times, huge sums over and above the funds necessary for maintenance of this active bank balance, which are deposited in what is known as "inactive" accounts, with various banks. These inactive accounts are secured by deposits of bonds or other security, and the banks pay interest to the state for use of the money.

There is no interest paid the state by banks on active accounts, which fluctuate in size and are not constant enough to permit a bank to use this money for loan purposes, as it can be drawn out at any time, whereas in the inactive account, the state must give sixty days notice before making withdrawals.

In return for handling the large deposits in active accounts the banks make no charge similar to that imposed on regular depositors' checking accounts.

This is what has aroused something of a controversy between legislative Auditor A. Allan Post and the state treasurer's office. Post feels that more money should be deposited in inactive accounts and should be drawing interest, while the treasurer's office, with long experience behind it, maintains that it is putting all the money possible in the interest bearing accounts, to safe-guard the honoring of state warrants.

If the active deposits are decreased, therefore, it is assumed that the banks would fall back on some type of charge for handling the state's accounts which in the long run, would be tremendously more expensive than the return of interest on the inactive accounts.

This is a matter now to be worked out by the Pooled Money Investment Board, which consists of the state treasurer, the state controller, and the state director of finance. The board controls both the amount of deposits, and also the depositing in banks throughout the state.

How big this job is, is shown in Kirkwood's report for the fiscal year, which indicates \$1,004,760,993 accrued to the general fund alone during 1955-56, which was an increase of \$126,449,151, or 14.41 percent over the amount received during the previous fiscal year. This sum does not include monies received by the state treasury for the special funds.

**Fish, Game Offices At
Capital In New Location**

Offices of the department of fish and game headquarters in Sacramento have been moved to 722 Capitol Avenue, Sacramento.

To expedite correspondence, sportsmen's groups and others having regular correspondence with the department, are urged to bring their files up to date.

**Competition Blamed For
Accidents With Vehicles**

SACRAMENTO—Eliminate competition on our streets and highways and you will reduce our traffic toll considerably says the California Patrol.

"Grabbing the right-of-way, racing to get ahead of the other fellow and cutting in and out of traffic are all competitive but unsportsmanlike actions," declared Ross R. McDonald, Deputy Commissioner of the patrol. "These are hazardous, illegal, accident causing maneuvers accounting for a large share of our annual traffic accident toll."

Cooperation and obedience to the rules, plus a recognition of hazards is necessary for safety in traffic," the deputy continued. "Without these elements your chance of survival in today's traffic is rather slim. Make safety your companion in traffic by obeying all the rules and helping the other fellow drive safely too."

**Donald Mattson Enters
Navy At Reno Station**

Donald Arthur Matson, son of Mrs. Florence Waters of Truckee, enlisted in the U.S. Navy on July 13 on a minority enlistment (until his 21st birthday) through the Reno Recruiting Station.

He has lived in Truckee off and on for the past ten years. He is a former student of the Yuba City High School and is at the present time undergoing his nine weeks recruit training at the Naval Training Center, San Diego.

After his graduation from the training center he will be given 14 days leave in which to return home prior to going on to his next duty station. He enlisted as a seaman recruit.

Goicoas at Norden—

The address of the Mike Goicoa family is Norden and not Reno as reported last week.

11.3 PER CENT GAIN IN TAXES SHOWN IN COUNTY REPORT

Taxes on property in Nevada county averaged \$90.49 per person for 1955-56, up 11.3 percent from the \$81.27 per person property tax bill for the preceding year, 1954-55, California Taxpayers' association said today.

Total levy on property in the county for 1955-56 reached \$1,648,684, up 10 percent from the \$1,498,640 for 1954-55.

Population of the county at January 1, 1956—on which the 1955-56 per capita data are based—was 18,220, or 1.2 percent less than the 18,440 people in the county for January 1, 1955.

Included in the per capita and total figures are taxes levied for general county purposes cities, school districts, and special districts in the county.

State-wide, property taxes levied for 1955-56 averaged \$94.19 per capita of population, up 6 percent from the \$88.84 average levy for 1954-55.

Governor, Wife Will Be Guests at GOP Affair

Governor and Mrs. Goodwin J. Knight will be guests of honor Friday evening, August 3rd when the officer and directors of the California Republican Assembly meet in Sacramento.

President Robert Fenton Craig announces that this meeting of the assembly directors has been called primarily for a discussion of plans in connection with the August Republican national convention in San Francisco. There will be a business session on Friday the 3rd at 2:00 p.m., a social hour at six, and the governor's dinner at 7 o'clock—all in the Elks Club in Sacramento.

WARNING ISSUED ON SUMMER MOTORING

SACRAMENTO— "Late summer is the deadliest time of the year on California's highways," Deputy Commissioner Ross R. McDonald of the California Highway Patrol warned today.

This statement is based on last year's records when 465 persons met violent death on the highways of the unincorporated areas of California during August and September.

"Traffic statistics for the year 1955 show August was the most dangerous month with 239 highway deaths," McDonald said. "September followed close with 226 persons killed while October, with 225 deaths, was the next most dangerous month."

January proved to be the safest month of last year with 138 persons killed," he continued. "During the year 1955, 2,302 persons met their death on the streets and highways patrolled by the California Highway Patrol."

With a record number of cars registered in California this year and millions of tourists entering our state, highways are more crowded than ever, calling for extra caution and consideration for the other fellow."

Monterey Cypress

The 17 mile drive on the Monterey Peninsula traverses a large part of the Monterey pine forest and affords opportunity to observe the picturesque Monterey cypress.

Recent Guests—

Recent guests of Cecil Edmunds were Ross Buell of San Francisco and Mr. and Mrs. Jack Fitzgerald and children of Fresno.

Attends Graduation—

Mrs. Frank Quilici is in San Francisco to attend the graduation of her daughter, Miss Frances Davis from a nurses school.

Missing Plate

There is a plastic cake plate missing and Mrs. Kenneth Hedlund is very anxious to have it returned. It seems that during a recent food sale for the benefit of the Pony Leaguers, someone purchased the chocolate cake donated by Mrs. Hedlund, but failed to return the plate as promised. The name was fastened to the bottom of the container.

Missing Nurse Is Found Safe With Her Mother

Miss Marjorie Ackley, 19 year old San Francisco student nurse, who disappeared from her camp a mile west of Donner Lake last week and for whom local officers conducted a wide search, was found safe with her mother in Reno.

Miss Ackley's absence from the camp where she was living alone caused some concern. She had been in the habit of showing up at the Dave Medford stables at Donner Lake each day and when she failed to appear for two or three days, Medford investigated and found her gone but her personal belongings all intact at the camp.

He notified Constable N. F. Dole and a search conducted by local and Lake Tahoe officers revealed her safe whereabouts.

Birthdate For Wofford—

Fred Wofford of Soda Springs celebrated his birth date on July 13.

At Donner—

Mr. and Mrs. Walter Jellen and family of Oakland have been visiting their property at Donner Lake.

Returns Home—

Mrs. Mennie Fuday of Riverside, who visited here with her son and daughter in law, Mr. and Mrs. Kenneth Fuday, has returned to her home. The local couple returned last week after a visit in the south.
